VIRTUALISE YOUR CARD

Ready? Virtualise?

If I virtualise my card, my trip will be:

- **Lighter**: no need to carry my discount card with me, I can access it by simply tapping my smartphone
- **Simpler**: all my travel documents (ticket + discount card) are in the same place on my smartphone
- **Less hassle**: it's easier to forget or lose physical travel documents, I can simply show the QR code for my card on my smartphone when tickets are checked

How do I virtualise my card?

- On the **tgvinoui.sncf** site: go to the "My cards" tab, "Virtualise my card"

USEFUL INFO

How do I use my card?

This card is personal and non-transferable and must be presented with ID during checks at the platform and/or on board. Any improper use of the card will result in its immediate confiscation and, where appropriate, the opening of legal proceedings. For further details, please check SNCF's Passenger Fares.

This card offers discounts on train journeys made in France (except the Paris transport region and OUIGO) and on certain international journeys. These discounts apply to the holder and up to 3 children (from 4 to 11 years old) travelling with them. Please note that minor children remain the responsibility of their parents.

You can find further information about your card on **tgvinoui.sncf**, at SNCF stations and shops, or by calling 0033 1 84 94 3635 (cost of an international call and additional charges from your service provider).

I forgot my card, how do I find it?

You can find your TGV INOUI Advantage card at any time:

- On the **tgvinoui.sncf** site from the "My Cards" tab
- On the **sncf-voyageurs.com** site
- At a station on a **Self Service Terminal** or at a **Point of Sale**
- By calling **00 33 1 84 94 3635** (cost of an international call and additional charges from your service provider)

For further details, please check the [legal notices card](#).
